

BeWasteWise

AN A TO Z LIST OF WHAT GOES WHERE

St. Albert's Recycling and Waste System

The City of St. Albert makes use of a three stream waste system, allowing residents to divert as much material as possible away from the landfill, converting this material into new products or high quality compost.

This guide will help residents determine the appropriate disposable option for some common household materials. For more information about the City of St. Albert's Waste Program, please see the City's website at www.stalbert.ca.

GREEN ORGANICS CART

Accepts yard waste, food scraps and organic material like soiled paper products.

BROWN WASTE CART

Accepts non-hazardous household waste that cannot be diverted through the compost or blue bag programs

BLUE RECYCLING BAG

Accepts mixed recyclables such as paper/ cardboard products, aluminum, tin, glass and rigid plastic containers

COMPOST DEPOT

Located on Villeneuve Road, west of Hogan Road

7:30 am till 10:00 pm
7 days a week

RECYCLING DEPOT

Located at 7 Chevigny Street

Sunday	Closed
Monday	Closed
Tuesday	10am - 6pm
Wednesday	10am - 6pm
Thursday	12pm - 8pm
Friday	10am - 6pm
Saturday	9am - 5pm
